To Whom It May Concern,

Joanne Thorne-Long refuse to take the vaccine for the corona virus based on her religious beliefs. Joanne believes that she is being led by the Holy Spirit to not take the vaccine and wants to be obedient to the Spirit of God according to the Holy Bible Scriptures (John 6:14 and 1 Corinthians 6:9), that she is being led and her body is the temple of the Holy Spirit.

Sincerely yours,

  
Pastor Jacqueline Barksdale
